

## **Pianos Anyone? (6/10/17)**

John and Maddie are together again this week in the host chairs. The musical theme is piano players – working with other musicians, with singers, and solo. The title of this episode is reminiscent of the album “Tenors Anyone?” that the John Pizzarelli Trio made with tenor sax player Harry Allen several years ago. Besides piano music, we’ll also hear some new releases, old favorites, and updates on the condition of Jessica Molaskey, who is expected to return to the show next week.
