

### **Live Music on the Lake (9/16/17)**

John & Jessica are at their Deluxe Cabin by the lake this week. John wants to find a quiet place where he can play his guitar and sing and talk to you, without disturbing Jessica, who's working in the cabin. So he sits in the chair on the dock. It's the perfect spot on this perfect September day, as John plays eight songs live and calls several more on record.
